

Congratulations and Welcome into the Family of God

You have taken the most important decision in life:---to invite Jesus into your life to become your Lord and Savior, You are a new creation (2 Corinthians 5:17). This is wonderful. Your sins are forgiven. You have been rescued from the domain of Satan's rule and transferred to the kingdom of Christ (Colossians 1:13). Father God now sees you as righteous and you are reconciled with Him (2 Corinthians 5:18). Because Jesus bought you at the price of His own life (1 Corinthians 6:19, 20). You have received eternal life and you are now adopted into God's Family and you are a child of God (Romans 8:14, 15; John 1:12) and can call Him, "Father". WOW!!!

Take some time now to thank God for your new life:

PRAYER

Dear Father, Thank You for forgiving me my sins. Thank You for cleansing me in the blood of Jesus and receiving me as Your child into Your household and into Your Kingdom.

Jesus, thank You for taking all my sins, all weaknesses, and curses in Your body on the cross. You wiped out the certificate of debt with its requirements that was against me. You nailed it to the cross. I give You praise. Your Spirit of Life has made my spirit alive and You have now made me a new creation. I have received this new life by grace alone and not by works or good deeds.

Thank You for giving me the Holy Spirit to guide and teach me and lead me into all the truth. He is the Spirit of truth and He will sanctify me by the Word of God and set me free, in the Name of Jesus. Amen

God gives the gift of life

The gift of salvation is the greatest gift of all and God has done a wonderful work in your life. But the salvation He did not make us into robots. Instead, He is your Father, you are His child, and He continues His work of sanctification in your life. Because of His love for you, He will bring correction and discipline into your life just like any earthly father would do.

In John 13:1-17 when Jesus, God's own Son, the King of Kings, washed the feet of the disciples, Peter refused at first, until Jesus explained that unless his feet were washed Peter would have no part with Jesus. When Peter asks Jesus to wash his hands and head as well (all the exposed part of His body), Jesus answers: *"He who is bathed needs only to wash his feet, but is completely clean, and you are clean, but not all of you (Judas)."* Then we are taught to do the same for each other. *"He who is bathed"*, is the person who has received eternal life, being washed in the blood of Jesus.

"Set My People Free Is Feet-Washing"

This manual is meant to be a help to the Body of Christ to "wash each others feet" of the dust that has attached itself to our feet along the dusty roads of our lives.

It is not meant to be a "quick fix" – and then we just continue a lifestyle dishonoring our Lord (1 Corinthians 6:20). However, we have found there is a definite need of a structured tool, which can help the new believers (sometimes old believers too) to bring victory in their lives.

Some of us have never received prayer for healing and deliverance. We often pray with people and our hearts are crying because we see the pain and tremendous suffering many of them have been under for many years because of bondage or a curse that could have been broken at the point of salvation.

For some ten years ago, one of Sweden's most famous evangelists Frank Mangs at an old age, after a vision from the Lord, repented to all the Christians in his country because he realized he had not fulfilled his calling. He confessed he had taken the sinners only to the gate of repentance and salvation but then left them without bringing them through deliverance as well.

Writing this is an effort and a desire to see no one left out on their own to deal with areas of personal warfare of which the Body of Christ is called to help and support each other (James 5:16).

Jesus, here I come
with another broken
heart.
