

## ABORTION

Picture of the baby in God's palm, His eye at the back, the text around the eye is Psalms 139:5, and 16 in Swedish.

*Every child, unborn or born is a gift from God. From the time of conception, the cell will immediately start to multiply and there is life. The Spirit of God covers the unborn child even when it is yet unformed, the eyes of the Spirit of God is upon this little, little human being (see Psalms 139:13,16).*

Source the use of aborted fetuses for scientific purposes and aborting children whose mother's amniotic fluid shows signs of abnormalities.

This means that to destroy such a life by means of any abortive method is sin. Any unconfessed, unrepented and unforgiven sin gives an opportunity to the enemy.

So please pray out aloud the following prayer if this is an area you need to be forgiven and restored.

If you are a man and have encouraged abortion, it is good for you to pray the following prayer too.

### PRAYER

*Heavenly Father, I confess that I was not a proper guardian and keeper of the life You entrusted to me. I ask You to forgive me for allowing this life to be destroyed. I also accept Your forgiveness by forgiving myself, and I commit that child to You for Your care for eternity, in Jesus Name. Amen*

Now your Sponsor prays for you:

*In the name of Jesus Christ, who died and rose again, I cancel the curse of death upon .....(name)..... because Jesus became a curse for .....(name)..... when He hung on the cross.*

*I take authority over the spirits that took advantage of the sin of abortion; I bind them in Jesus' name and command them to leave .....(name)..... now.*

*Heavenly Father, I ask that You pour in life, where death was residing. In Jesus' name. Amen.*

Allow the sponsor to pray for healing for your heart and Jesus to comfort you in the place where your emotions suffered the pain of loss.

*If you still feel you have an emotional wound due to abortion in the past, please see someone in the leadership in the church. They will refer you to someone who can help.*
