

Sexual Immorality
Generational and personal

Sometimes we find that we are always going back to the sins and habits which we have allowed to live within us for many years. It may seem to be impossible to have victory over them.

Especially in areas of pornography, sexual fantasies, masturbation and other highly addictive sexual struggles, this may be the result of generational sin in this area.

You may not know if sexual immorality was a trait with any of your ancestors. But often we find that the same pattern of sin is being passed down from one generation to the next. Our parents who were supposed to be a spiritual protection for us, if they were bound in sin, opened up their lives to demonic influence which is being passed on to the next generation unless the curse is broken and the door shut, through renouncing, repentance and forgiveness.

If this is a problem in your life or you know this was a character weakness and sin among your ancestors, pray aloud the following prayer:

(If rape, incest or any sexual molestation was done to you, or you struggle with homosexuality, please see one of the leaders or prayer counselors in the church, who will meet to pray with you for healing and restoration of your soul. Or check out for any Living Water Program or Cross Current Program available.)

PRAYER:

Heavenly Father, thank you that I am Your child. Lord Jesus, thank You that on the cross You took on Yourself all the curses meant for me. Lord Jesus I stand on behalf of my ancestors and for myself and ask for your forgiveness for sinning in the area of sexual immorality.

I renounce(Specify the sexual sins committed by your ancestors, to your knowledge and your own sins in this area).....

In Jesus' Name I break all curses from the tenth generation and until my generation that have come upon my family and me because of sexual immorality and perversion.

As a child of God I claim that the power of the blood of Jesus is setting me free from the consequences of the generational sins. I claim freedom from curses, hereditary diseases and from effects of my ancestors' sins, which have influenced me.

I pray this in the name of Jesus, who became a curse for me on Calvary and died to set me free. I now present my body as a living sacrifice, holy and acceptable unto You, and I reserve the sexual use of my body for the way You intended.

I renounce the lie of Satan that my body is not clean, that it is dirty or in any way unacceptable as a result of my past sexual experiences. Lord, I thank You that You have totally cleansed me and forgiven me, that You love and accept me unconditionally. In Jesus' Name I pray. Amen

At this point the Sponsor will pray for you:

Dear Father, thank you that you have forgiven.....(name)..... and cleansed(name)..... with the blood of Jesus. I now proclaim every curse broken from the line of her/his ancestors and unto her /his seed, in Jesus' Name.

In the name of the Lord Jesus Christ, I now take authority over every spirit that has taken advantage of(name)'s..... ancestors or his / her own sin in the area of sexual immorality – and I bind the spirits of curse and of lust, and sexual immorality. I command them to leave.....(name)..... without hurting or harming her/him or anyone of his/her family.

I now close the doorway for the enemy. And I ask You, Holy Spirit, that You now will fill.....(name)..... and restore.....(name)..... I pray this in the Name of Jesus. Amen.

Here cutting of ungodly soul-ties with former sexual partners is necessary, if you still have not done so.

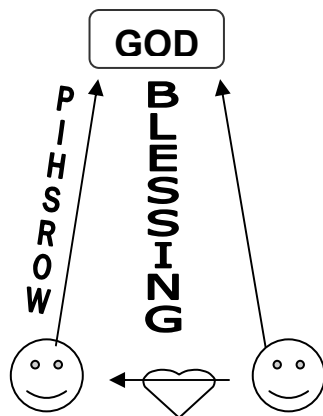

Fornication and Boundaries

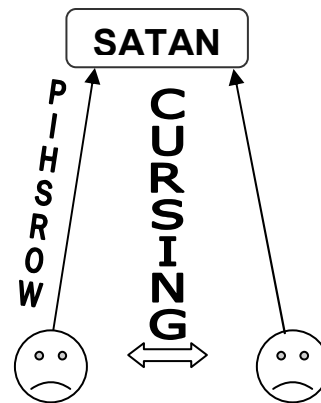

Fornication is sexual intercourse before marriage

Many young people who want to try out their partner before marriage suddenly feel themselves hating the one whom they thought they loved. The boundary-less society, films and the modern cultures teach us that sex before marriage is OK and no big deal at all.

A sexual union is always a joining of spirit, soul and body. Sexual union before marriage opens up for demonic entrance as the couple comes under the judgment of the scripture. Often this act, which most probably and deceptively, was to strengthen the love or relationship between the two, now brings a disaster with it instead.

Sexual relationship **within** the Godly
Boundary of marriage Covenant

Sexual relationship **outside** the Godly
Boundary of marriage Covenant

To carry with us experiences of fornication in our baggage when we enter into a marriage is like inviting a charging bull into your living room.

A marriage is supposed to be a safe place – like a “studio with padded walls, floors and ceiling” - where you are safe and secure. The door is closed to any dangers; there is peace and joy.

In case of unconfessed and unrepented-of-fornication, the “bull” will have all the right to attack this new union and it will cause conflicts, anger, hatred, fights and may eventually cause a destroyed home and divorce.

Indulging in sexual fantasy with pornographic pictures is also a kind of fornication, as well as same sex or opposite sex relationships which have crossed the godly boundaries – where anyone/ both mutually/consentingly, touch on private parts like buttocks/ breasts/ genital areas or touches in a lustful way.

Close the Door

If you are still unmarried, I encourage you to close this doorway and get rid of the “bull”. If you are already married, it is not too late to get rid of the “bull” and close the door. Then both of you need to confess and repent, cut ungodly soul-ties between you & former partners, etc according to the prayers in the chapter explaining about ungodly soul-ties.

Transparency and not keeping dark secrets in a marriage is vital/healthy, and strengthens the good bonding and loves between husband and wife.

Unconfessed sin regarding areas of former partners and/or adultery and/or pornography becomes a *legal ground* for the enemy that might lead you to fall in sin again at a time when you are under pressure, weak, vulnerable and tempted.

Homosexuality

The Lord created us to be the gender that He wanted us to be. When we, as children, are not affirmed as the gender that we are; or when the other gender was preferred, sometimes also due to a dominating parent, the child responds to and accepts the lie of Satan (using the society around the person), that leads the person to believe he/she is better off being the opposite gender. Which often leads to a homosexual or lesbian lifestyle. (See also generational sin).

The Lord loves all people, He loves you, but He hates the sin of homosexuality (Leviticus. 18:22, Romans 1:26-32). The Lord has provided freedom also from this curse, and healing to all that wants to receive it.

If this is your problem please pray following prayer together with your sponsor, but we also recommend that you see a prayer counselor for more help to receive restoration to your soul.

PRAYER:

Lord Jesus, I renounce the lie of the devil, that You have created me or anyone else to be homosexual or a lesbian and I believe Your word that You forbid homosexual behavior. I accept myself as a child of God and declare that You created me a man (or a woman). I renounce any bondage of Satan that has perverted my relationships with others. I proclaim that I am free to relate to the opposite sex in the way You intended, in Jesus' Name. Amen
